

Powering America Together - Financial Products Intake Form

Save my progress and resume later | [Resume a previously saved form](#)

Section 1 of 5 - Introduction & Project Contact Information

Introduction

This form is an initial screen for eligibility to apply for Solar for All financing products from Inclusive Prosperity Capital (IPC) and its affiliates. Please review IPC's [Solar for All Financing Products web page](#) before completing this form. Fields marked with a * indicate where information is required. Other fields are optional. You are required to complete this form to the best of your ability. Upon submission, IPC staff will review your intake form to determine your submitted projects' eligibility under IPC's Solar for All program and based upon eligibility, will provide an invitation to complete an application.

Note: Intake is currently available solely for residential-serving community solar projects.

IPC expects to launch financing products to support multifamily solar in mid-2025. To sign up for IPC's Solar for All mailing list and receive program updates, including about the launch of future Solar for All financing products, please visit IPC's [Solar for All web page](#).
